About the Organizer	Hunan International Business Vocational College has a history of 60 years, which is the provincial modeling higher institution in Hunan province and one of the first four Academies for International Business Officials authorized by Ministry of Commerce. It is the only one higher institution with academic education and vocational training in Hunan provincial commerce field. It is located in Changsha, capital of Hunan Province. Changsha is rich in tourist resources, including ancient Yuelu Academy, Tianxin Pavilion, world-famous, Mangwangdui Han Tomb, Chairman Mao Zedong’s hometown-Shaoshan, one of the five great mountains in China-Hengshan mountain and Zhangjiajie Natural Scenic Area-world natural heritage.		
Training	Seminar on Service Trade for Developing Countries, 2016 last 21 days, and it is intended to		

<p>Course Content</p>	<p>offer the following lectures: China's basic national conditions, achievements and experience of China reform and opening-up, general situation of international service trade development, current situation and develop tendency of China service trade, WTO mechanism and international service trade and so on.</p> <p>Participants will have the chance to visit national economic park and outstanding enterprises in Changsha city, China's economic financial and service outsourcing center-Shanghai, and economically underdeveloped areas, which could help participants to know conditions of China's economic development better. Participants will travel to Shanghai and Hangzhou, visiting tourism resorts, including the bund and the west lake in particular. Meanwhile, in participants' spare time, mainly during the weekends, the organizer will organize them to go shopping at city center, visit famous historical and cultural places, enjoy Chinese traditional tea arts and calligraphy performances, so that participants would better understand Chinese history and culture.</p> <p>In short, participants could better know China through the teaching model of theory with practice, and improve their level of service outsourcing as well. In addition, China could use this opportunity to develop cooperative relationship with other developing countries.</p>
