Also, you will be able to participate in several seminars and conferences related to agriculture, which will offer you a good chance to learn from and communicate with professionals.

Global Saemaul Leadership Program Global Saemaul Leadership Program

2) Foreign Student Saemaul Training Program

Before you start a regular semester, you will get a chance to participate in Foreign Student Saemaul Training Program. Korea achieved remarkable economic development through Saemaul Undong, and many other developing countries are currently following the Korea's model by applying it to their rural areas.

Through this program, you will be able to get to know about Saemaul Undong, and have chances to visit several relevant sites. Many foreign students who have ever participated in this training program said after this program that they became convinced that their countries can also make economic progress like Korea.

3) Sports Festival

We host a Sports Festival every year. You will have the chance to communicate and network with Korean students as well as to play various sports games.

III. TRAINING INSTITUTE

1. GENERAL INFORMATION

1) About University

❑ KYUNGPOOK NATIONAL UNIVERSITY

KNU's Educational Philosophy

TRUTH

The highest value that a university must pursue as a hall of learning, meaning that it strives to seek the truth without hesitation.

PRIDE

Referring to the pride of KNU's students and faculty as demonstrated through its endless development of great talent that has contributed to the development of Korea and indeed human society. We celebrate this great pride through our university's history, traditions and future goals.

SERVICE

KNU graduates have been educated as real intellectuals, proud professionals and practice-valued servants of the people, who serve not only their own society and nation but also the global community.

KNU's Educational Goal

KNU is transformed through innovation, communication and its impression on the world.

It began as a regional education hub founded with the support of residents, and quickly gained a strong reputation as the best university south of Seoul. KNU became known for producing the top Korean intellectuals of the age, representing the

Republic of Korea with pride. Our goal is to reaffirm the status long held by KNU, bringing change and the spirit of innovation to the world. We will become a university that inspires people the world over with our achievements.

We are a globally-oriented, knowledge-driven university.

We are now a global competitor, as such, we have to foster research capabilities that can compete with global standards and cultivate talent that will lead the world. KNU will be a university that not only creates knowledge but also leads the stream of intelligence as it takes a step ahead. As a university with one of the nation's largest campuses and operating infrastructures, we strive to impress the region, the nation and the world.

We put investment in human resources above all else.

One of our greatest assets is the people we educate. KNU will give first priority to concentrated investment in human resources development, producing talented individuals with the wisdom of cultural insight and scientific technology; passionate professionals who enjoy a challenge; people who will lead the world with creativity and innovation. In addition, we will create an educational and professional environment in which all people-students, professors, and staff of the university-trust and cooperate with each other.

❑ GRADUATE SCHOOL OF KNU

Graduate School of KNU was established in October 20, 1953, since when its objectives have been to explore sound academic theories and methods in depth, to activate academic research in order to promote the human qualities and disciplines required in society, and to contribute to national development and the prosperity of the mankind.

The graduate School has played key roles in universities around the country, as well as in research institutes and professional organizations, and on the international stage. In addition, the excellent teaching staff and academic supervisors in our Graduate School, who are outstanding in their research and educational capacities, have consistently given quality guidance to enthusiastic MA and doctoral students on the basis of future-oriented curricula and systematic teaching methods. We promise to continue doing our best in fostering the next generation of academics who will lead us into the future, while at the same time continuing to preserve our brilliant history and tradition.

IV. ACADEMIC REGULATIONS

1. ACADEMIC REGULATIONS

1) Attendance and Absenteeism

Students are expected to attend all of the classes he/she has registered for each semester. Any student who, without a good reason, has failed to attend class for at least two-thirds of the total class hours shall be prohibited from sitting for the exam.

A. In the event a student is absent for any of the reasons below, the student must notify the appropriate department, faculty, and dean and get approval in advance:

- Death of an immediate family member (grandparents, parents, siblings) or equivalent circumstance
- Academic planning, field-trips, on-location training, etc.
- Participation in seminars or conferences (including international ones) as approved by the Graduate School Dean
- Other events as approved by the Graduate School Dean

B. In the event of student illness or emergency situations, students who will be absent for less than seven days (including holidays and weekend days) need to submit written notification of such absence to the Graduate School Dean. For absences longer than seven days, students must submit a written diagnosis by a physician.

2) Must reside in KNU residence

- Students must reside in KNU dormitory.
- Single or double occupancy
- Living off-campus is not allowed

3) Must abide by residency regulations

- KNU has very strict residency regulations and all students must abide by them.
- A student who violates residency regulations will be evicted from the KOICA Resident House or KNU dormitory and he / she must return to his / her country immediately.

4) Examinations and Grade Evaluations

Minimum Grade Point Average Requirement

- Students must maintain at a minimum a B0 (80-84) grade point average. Anything below 80 points will not be acknowledged as a passing grade.

Regular Exams and Make-up Exams

- Regular Exams: Mid-term (7th to 8th week of semester), Final (last two weeks of semester)
- Make-up Exams: In the event a student cannot sit for an exam due to military service, illness, or any other emergency, the student must notify the faculty before the test date, and obtain the Graduate School Dean's approval to sit for the exam at another time.

Qualifications to Sit for an Exam

- Any student who, without good reason, has failed to attend class for at least two-thirds of the total classes shall be prohibited from sitting for the exam. In the event of illness or emergency situations, students need to provide a written explanation of their absence.

Scholastic Performance Evaluation Method

- *Scholastic performance will be based on a 100-point scale for each course registered. Grades will be based on classroom performance (presentations, attendance) and test performance (mid-term and final exams).*
- *Grades will be calculated on a curve as follows:*
- *A to A+: 30% of the students in the class*
- *B+ to A: 40% of the students in the class*
- *B and below: 30% of the students in the class*

Evaluation Standard: Evaluation Ranking

2. WRITING A THESIS/DISSERTATION

1) Thesis/Dissertation submission criteria-

- Students must complete all credit requirements, pass the foreign language exam as well as the comprehensive exam, register for at least four semesters (six semesters for students in the combined MA/PhD program) and receive permission from their academic advisor before submitting their thesis/dissertation.
- Students who have already finished all coursework requirements may also submit their thesis/dissertation.

2) Procedures for thesis/dissertation submission

- Fill out and submit the Proposed Thesis/Dissertation Submission Form The form should be submitted to the appropriate department before submission of a draft of the thesis/dissertation to the review committee.
- Submit a draft of the thesis/dissertation to the review committee and pay the review fee (MA students must submit three drafts of their thesis, while PhD students need to submit five drafts of their dissertation. Students should also submit a thesis/dissertation submission form, a research integrity agreement form, and a recommendation form from their academic advisor to their department. After submission is complete, students have to pay a review fee.)
- Submission of the final thesis/dissertation
 - a. Once the thesis/dissertation is approved by the review committee, five copies of the final thesis/dissertation bearing the signatures of all the review committee members on the first page must be submitted.
 - b. When the final thesis/dissertation is submitted, the whole file must be submitted.
 - c. Submit the final thesis/dissertation

Library homepage→Online submission of thesis/dissertation→Online submission system
(dCollection.knu.ac.kr)

3) Oral defence

- **Scheduling the oral defence** (All students must undergo an oral defence before graduating at a time and date specified by the Chair of their department.)

4) Thesis/dissertation review process

- Thesis/dissertation draft (The appropriateness and quality of the thesis/dissertation are evaluated. The review committee members decide how many times the thesis/dissertation needs to be reviewed and will decide if a thesis/dissertation "passes," "fails," or "needs to be reevaluated" (if it needs to be reviewed again next semester).
- Approval of the final thesis/dissertation (The review committee members must sign and authorize four copies of a final thesis/dissertation to confirm an approval. The title of the final thesis/dissertation must be the same with that submitted to the review committee.)

5) Delay the submission of a final thesis/dissertation

- If the draft of the thesis/dissertation has already been approved, but some parts of the thesis/dissertation have been lost or damaged, or if the student becomes sick or is injured, and the final thesis/dissertation cannot be submitted, the student may apply for a delay. If the Dean of the Graduate School approves this application, the student may skip the review process next semester and just receive the review committee's signatures. If the student is unable to submit the thesis/dissertation by the end of the following semester, however, the thesis/dissertation will be rejected.
