

NATIONAL INSTITUTE OF LAND AND SURVEY (INSTUN)

The National Institute of Land and Survey (INSTUN) was established on 1 May 1998. INSTUN began operation at a temporary office of Wisma Tanah, Jalan Semarak, Kuala Lumpur until its permanent campus in Behrang Ulu was completed. INSTUN is built on a 200-acre land owned by the federal government in Behrang Ulu, Tanjong Malin, Perak. It began operation on 15 November 2001. To date, only 80 acres of the land has been developed.

In 2004, INSTUN was placed under the Ministry of Water, Land and Natural Resources (KATS). It is the sole training institution in Malaysia which has been given the mandate and responsibility to train personnel in land administration, survey and mapping matters as well as related fields of information technology. The objective for the establishment of INSTUN is to enhance the competency of human capital in land administration, surveying and mapping and information technology through a systematic and planned training.

INSTUN conducts various courses in the fields of land administration, survey and mapping as well as related fields of information technology. The Institute provides advisory services and also acts as a resource centre in the fields of land administration, survey and mapping as well as related fields of information technology.

MALAYSIAN TECHNICAL COOPERATION PROGRAMME (MTCP)

The Malaysian Technical Cooperation Programme (MTCP) was initiated at the 1st Commonwealth Heads of Government Regional Meeting (CHOGRM) for Asia Pacific Region held in Sydney on February 1978. It was officially launched on 7th September 1980 at the 2nd CHOGRM in New Delhi, India, to signify Malaysia's commitment to South-South Cooperation, in particular Technical Cooperation among Developing Countries (TCDC).

The MTCP emphasises the development of human resources through the provision of training in various areas which is essential for a country's development. These areas include public administration, good governance, health services, education, sustainable development, agriculture, trade and investment, ICT and banking. As of 31st December 2019, 34,415 participants from 144 recipient countries have benefited from the various programmes offered under the MTCP.

For more information at MTCP website:
https://mtcpcoms.kln.gov.my/mtcpcoms/online/about_mtcp

OBJECTIVES OF MTCP

- To share development experiences with other countries.
- To strengthen bilateral relations between Malaysia and other developing countries.
- To promote South-South Cooperation (SSC) and
- To promote Technical Cooperation among Developing Countries (TCDC).

MALAYSIAN TECHNICAL COOPERATION PROGRAMME (MTCP) 2020

LAND ADMINISTRATION IN DEVELOPMENT POLICY

ORGANIZED BY:

NATIONAL INSTITUTE OF LAND AND SURVEY (INSTUN)
TANJONG MALIM, PERAK, MALAYSIA
29 MARCH - 4 APRIL 2020

LAND ADMINISTRATION IN DEVELOPMENT POLICY

ABOUT THE COURSE

This course is designed to provide and impart fundamental and basic understanding of Malaysia's Land Administration and Legislation, Land, and the interaction of human societies with it, result in many economic, social, political and environmental concerns. The issues arising between these competing and overlapping concern required a land administration system that is able to support the ever changing and challenging relationship between humankind and land. A solid land administration procedure will be able to facilitate complex decision making and further support the implementation of such decision. Therefore, an effective and efficient land administration is of crucial importance for sustainable development. Throughout this course, participants will gain a better understanding and valuable insights into the working of land administration in Malaysia. Participants will be able to attain a clear impression of the growing co-operation in land administration between public and private sectors through working trips.

This course will be held from 29th March until 4th April 2020.
