MALAYSIAN TECHNICAL COOPERATION PROGRAM

The Malaysian Technical Cooperation Programme (MTCP) was officially launched on 7 September 1980 at the Commonwealth Heads of State Meeting in New Delhi, India, to signify Malaysia's commitment to the South-South Cooperation, in particular, the Technical Cooperation among Developing Countries (TCDC). The MTCP emphasizes on the development of human resources through the provision of training in various areas which are essential for a country's development such as agriculture, economy, finance, public management and administration, science & technology and ICT, health diplomacy, safety and security including cyber security, cultural diplomacy, social development, environment-related to SDG2030, education, industrial and technical training. Annually, Malaysia offered more than 60 technical and capacity-building programs under the MTCP, which have benefited more than 35,500 participants from 144 countries.

OBJECTIVES OF MTCP

- To share development experience with other countries;
- To strengthen bilateral relations between Malaysia and other developing countries;
- To promote South-South Cooperation (SSC); and
- To promote technical cooperation among developing countries.

The Webinar is aimed at providing participants with new critical insight into developments, trends, opportunities, as well as influences in Hajj Management. During the 3-days Webinar, participants are exposed to the latest methods, technologies and approaches in hajj-handlings adopted by the prominent leaders in hajj management. In this Webinar, participants are also exposed to share the 50 years success story of *TH* in managing the Hajj Fund.

OBJECTIVES OF WEBINAR

- To expose participants with the latest and current development, issues and trends in Hajj Management.
- To share the experiences of several Hajj Mission in handling Hajj in the Holy land, as well as in Homeland.
- To share and discuss the possibility of setting up Hajj Fund in home country for the benefits of Muslim Ummah. To share TH experience in managing its fund.
- To explore the best practices and values adopted by selected Hajj Mission
- To share the information on the spill-over effects of hajj investment and operations in supporting the SMEs
