MALAYSIAN TECHNICAL COOPERATION

PROGRAMME (MTCP)

The Malaysian Technical Cooperation Programme (MTCP) was officially launched on 7 September 1980 at the Commonwealth Heads of State Meeting in New Delhi, India, to signify Malaysia's commitment to the

South-South Cooperation in particular, the Technical Cooperation among Developing Countries (TCDC). The MTCP emphasizes on the development of human resources through the provision of training in various areas which are essential for a country's development such as agriculture, economy, finance, public management and administration, science & technology and ICT, health diplomacy, safety and security including cyber security, cultural diplomacy, social development, environment-related to SDG2030, education, industrial and technical training. Annually, Malaysia offered more than 60 technical and capacity-building programs under the MTCP, which have benefited more than 35,500 participants from 144 countries

For more information, refer to the MTCP Official FB page: <https://m.facebook.com/MTCPMalaysia>

OBJECTIVES OF MTCP

- To share the development experience with other countries;
- To strengthen bilateral relations between Malaysia and other developing countries;
- To promote South-South Cooperation (SSC); and
- To promote the technical cooperation among developing countries.

NATIONAL INSTITUTE OF

PUBLIC ADMINISTRATION (INTAN)

The National Institute of Public Administration (INTAN) is the training arm of the Public Service Department, the central human resource development agency of the Malaysian government.

INTAN provides quality training for all categories of civil servants from both federal and state levels. It aims at increasing participants' level of knowledge and skills and in enhancing positive attitudes towards upgrading their ability to plan, administer, manage, and evaluate national development programmes. This is in line with its mission of developing a competent public sector workforce through quality learning.

The training offered by INTAN includes areas such as project management, language enhancement, economic planning & management and learning & development.
