ABOUT MTCP

The Malaysian Technical Cooperation Programme (MTCP) was officially launched on 7 September 1980 at the Commonwealth Heads of State Meeting in New Delhi, India, to signify Malaysia's commitment to South-South Cooperation, in particular, the Technical Cooperation among Developing Countries (TCDC).

The MTCP emphasises the development of human resources through the provision of training in various areas which is essential for a country's development. These areas include diplomacy and diplomatic practices, economy, good governance, education, tourism, environment, social development, halal industry, safety and security as well as technology, among others. As of 31st December 2022, 37,055 participants from 144 recipient countries have benefited from the various programmes offered under the MTCP.

OBJECTIVES OF THE MTCP

- To share development experience with other countries.
- To strengthen bilateral relations between Malaysia and other developing countries.
- To promote South-South Cooperation (SSC).
- To promote Technical Cooperation among Developing Countries (TCDC).

ABOUT MAVA

MAVA is the training arm for the Civil Aviation Authority of Malaysia (CAAM), established to train CAAM personnel, has evolved into an international class training centre, as a TPP member of ICAO TRAINAIR Plus. MAVA offers courses mainly for ATCOs, from ab-initio training to advanced level courses. To date, MAVA has trained more than 3000 ATCOs locally and internationally including those under the Malaysian Technical Cooperation Programme (MTCP).
